IPSD 2013

Chers amis,

Ce numéro de CIPC Flash donne une grande place à l'IPSD 2013. Nous avons reçu de nombreuses photos et commentaires des rassemblements organisés par certaines fédérations (le Japon en particulier). Nous les publions ici. D'autres rassemblements ont eu lieu (en Italie et Portugal à notre connaissance), mais sans photos.

Nous montrons ainsi que les fumeurs de pipe sont encore vivants !

Mais, voici quelques nouvelles rapides :

- Pipe Show de Chicago : nous avons demandé à Kurt Eggemann de représenter le CIPC du 3 au 5 mai. Vernon Vig lui a donné tous les renseignements et l'accueillera.
- Le Liban a un pipe club. Jonathan l'avait découvert, il y a quelques années. A l'occasion de l'IPSD, ce club nous a transmis son salut.
- Nous apprécions les newsletters de l'Italie et du Portugal, ainsi que la revue du Danemark. Merci à eux.
- Notre trésorier va vous envoyer les appels à cotisation (120 €)
- Geert Landlust, notre Secrétaire, a eu des problèmes d'ordinateur et n'a pas encore écrit le compte-rendu de l'Assemblée Générale de Séville. Si vous le souhaitez, l'enregistrement audio de la réunion peut vous être envoyé.
- Notre compétition annuelle. Elle sera organisée par le Pipe Club de Pologne, à Poznan, les 10, 11 et 12 octobre 2013. Tous les détails de la manifestation sont déjà sur Internet www.pipeworldcup.com
